CHIPPERS PANTRY

LIVER CAKE RECIPE

INGREDIENTS

1 lb Lambs Liver
6 medium tablespoons of Stoneground flour
6 tablespoons Milk
2 eggs

Optional Extras

Handful of grated cheese
Use ½ liver, ½ kidney
Use tuna instead
1 oxo cube

METHOD

Preheat oven to 160 c

Blend the Liver until a very runny consistency

Add the flour and blend until liquid again

Add the milk and eggs and blend

Add any other ingredients

Leave to stand for 10 mins to allow the air to rise

Grease well and flour a baking tray

Pour in the mixture ½ - 1 cm deep

Bake for 10 -12 mins or until middle is firm

Leave to cool, cut into pieces and freeze at least overnight. The mixture is much easier to handle once frozen and thawed
